Point Grondine Settlement

NOTICE OF REQUEST FOR PROPOSALS

COMMUNICATIONS CONSULTANT & EVENT COORDINATOR

You are invited to submit a proposal to the Wikwemikong Trust in response to the Request for Proposal for Event Coordinator or for Communications Consultant.

INTRODUCTION:

The Wikwemikong Trust Agreement is one of the obligations of the Settlement Agreement signed between Wikwemikong Unceded Indian Reserve and Canada for the Point Grondine Indian Reserve No. 3 land claim, settled on February 13, 1995. The approval of the Settlement Agreement required Wikwemikong to create a Trust Agreement “to hold and invest the compensation paid to it by Canada as a long-term asset for the use and benefit of the present and future members of Wikwemikong”.

Although not incorporated, the Wikwemikong Trust has a Board of Trustees and a Trust Administrative Support Officer.

We are here for the community and would like to present transparency and open dialogue in a manner that is accessible to current and future beneficiaries, the Wikwemikong Unceded Territory band members, for historical and informational purposes.

WHAT WE ARE LOOKING FOR:

The Trustees are looking for credible providers who have the capability, experience and knowledge to provide us with expert advice and services. Ideally, providers need to have a good track record with relevant project experience.
